Dear Mr. North,

On January 28, 1983 we received your Notice to conduct mining activities on your Northwestern mining claims located in T. 9 N., R. 18 W., Section 12. A recent inspection of the area indicates that the surface disturbance associated with your Notice has been reclaimed satisfactorily. We are therefore closing the subject case file.

Thank you for your cooperation. If you have any questions, or require additional information, please feel free to contact Michael Ford of my staff at (801) 977-4360.

Sincerely,

Brad D. Palmer
